Do you want to get well?

Richie Fike Capo5

 One more day, one more hour, one more moment in time I have lived
 Em C D G D/F# C
 What a shame, if all this power, all this hope and redemption you give
 D C D
 Is less than received, so the question to me is...

G Em C D
Do you want to get well? Do you want to be free?
 G Em C D
I ask of myself, is it too late for me?

Your mercy is new as the morning is come...

I have tried, I have labored, to fight and be found in your heart
 Still this pride, worn and weathered, is keeping us spirits apart
 The question remains... The question's the same...

D C
It's not that I want to be perfect
 D G C
Or higher and mightier, listen to me
 D C
It's not that I think I deserve it
 D C
It's just that I want to be free

I want to get well. I want to be free.
I give of myself, and trust you as King!
Your mercy is new as the morning is come...
