Freed to worship

Richie Fike

B E/G# B/F# B/E...

There is freedom in your arms. There is freedom in your holy truth
There is freedom in the thought, I can be REAL with you.
There is mercy in your heart. There is tenderness in all you do.
There is peace that never parts, when I am REAL with you.

A B
Bring forth your presence and watch me dance

A B
Speak to my spirit and I will come alive in you

Come now and hear it, your people freed to worship You!

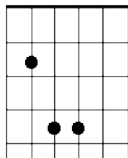

B E/G# B/F# B/E...

There is joy in your embrace. There is hope to hold the destitute.
There is freedom in this place, for we are REAL with you!
There is grace for every sin and redemption for the life we choose
You have rescued us again, and we are REAL in you.

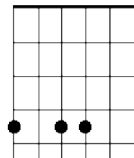

B E/G# B/F# B/E...

We confess our sinfulness to you

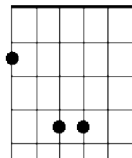

We will shout it out, our freedom found in you
