 Let us sing praise! Let us sing praise! (Repeat)

You are my desire. Fight, though I do, to wait still on you, I am by your side.
 Hear, Lord, my cries, from this humble heart, I long not to part, Here is my life

It's yours to take, and do what you want
 Jesus, your will, I'll not forsake, here is my heart...

After the first Chorus, play the C2 twice... Every other time, play it 4 times. After the iV, drop down and build back up into the chorus again... Fike will transition us into "Satisfy".
