I am broken

D/F# G A Bm

Broken with all my heart

D/F# G D/F# G

And I'm fallin'

D/F# G A Bm

I fall into open arms

D/F# G Bm A

The way You love me, Your tender mercy

D/F# G A Bm

The way You know me like the back of Your hand

D/F# G Bm A

I can't escape You, and I don't want to

D/F# G A Bm

I want to show You that I understand

You know my weakness, You know my secrets

You are the deepest love I've ever known

Lord, You have healed me, You keep revealing

How good it really is to come back home

It's a spiritual thing and if you don't know, listen to game

I'm gon' give it to you simple and plain

This is the thing, everybody's soul is the same, sin-stained and in need of a change

And there's one way out of this, God's Son came, built the bridge

And I proclaim all of this, but that don't make me an evangelist

'Cause my brokenness has shown me this...that holding this too tight is just foolishness

So, I hold to this, grow to this, flow in this and I praise my Lord to this

'Cause I'm His and He's mine, we friends and that's fine and I'm not ashamed

I live and I die, I give and I cry, so, come what may

My sin and my strife, my fear in this life, it's His to take

I'm His and He's mine and I live and I die, but my soul is saved!
