(G) F Am G  
I'm not prim and proper  
F Am G  
And I don't think that You want me to be  
F Am G  
All I have to offer  
F Am G  
Is everything that's deep inside of me  
Am G  
*So I'm gonna praise, I'm gonna shout*  
F G  
*I'm gonna sing my heart out*  
Am G  
*I'm gonna move, I'm gonna dance*  
F G  
*I'm gonna lift up my hands*  
F Am G  
I want to worship Your name  
F Am G  
I want sing it loud  
F Am G  
I'm not willing to wait  
F Am G  
I just want to make a sound  
F Am G  
I just want to make a sound!  
I'm not brick and mortar  
I was not designed to stand here still  
I was built to honor  
I was made to move inside Your will
