Every generation, every congregation
D D/F# G
Every tribe and nation sing, "Our God is here!"
D D/F# G
Every tongue and spirit, let the Father hear it
D D/F# G
He is drawing near, let's sing, "Our God is here!"

 A Bm D/F#
And, all of us, with all our hearts, are standing up
 G
To say...

 D Bm A
It's not just a story, He rose from the grave
 D Bm A
It's my testimony, I'm forgiven and saved
 G A
It's not some old fable handed down through the years
 G D/F# G
My God is willing and able, mighty and stable
 A D D/F# G
He's alive and He's here

In the smallest child, in the deepest trial
On the longest mile, we see our God is here
In the midst of mercy, even when we're hurting
He alone is worthy, yes, our God is here
