Bm G A
Pass me not, oh gentle Savior
Lord and hear my prayer
'cause all that I have ever wanted was a Father
Who'd attend to me because he cares

A G
*You called me out of the dark
You called me into Your arms*

D G
Lord, I will walk, Lord, I will run

Bm A G
Lord I will hold to the heart of my God

D G
I'm standing tall, I lift You up

Bm A G
I'm standing firm in the grip of my God

Em D/F# G
Lord, and I'm giving You all that I've got

A Bm
You deserve my praise

Every gift You give is goodness
Lord, Your mercy's new each day
I have come to praise the one and only Father
I am captivated by Your ways

Bm A G
All my heart! All my love! All my worship!

Em
You deserve it! (2x)

Bm A G Em
You deserve praise! You deserve praise! You deserve praise! (2x)

*All my heart! All my love! All my worship!
You deserve it! (2x)*
